Advertising Photo Day to your Studio!

We will bring Photo Day posters to your Studio to display sample products 3-4 weeks prior to your shoot. To get the highest participation rate (and therefore commission for your studio) we suggest 1-2 emails to parents or a flyer advertising photo day. We can create the flyer and emails if you wish!

So that we can plan the best Photo Day possible please provide:

- The number of students enrolled
- The number of students who will have a costume/ participate in photos
- A student list 1-month prior to photo day (this will allow us to pre-print information cards for the day of the shoot to minimize wait-time)
