Photography Services

Consistent Background for Yearbooks

Using our Background Replacement Technology, we guarantee that the photos in the Yearbook will be 100% consistent.

Multiple Poses for better choices

We photograph each student in multiple poses allowing the family more choices in the Pose and Expression they want.

How many camera stations/photographers?

We can set up, up to 6 photography stations based on enrollment and number of days of photography.

Accuracy and Fast Delivery of Images and Data

We review the accuracy of the student's data (Class, Grade, etc) with the Office Staff and Yearbook Advisor before submitting files to be used. Our software interfaces with just about any Administration Software. We promise to deliver the photos and data within 7 days of approval.

PDF Student Directory

This file will include all students photographed separated Alphabetically and by Grade/Class. It's a quick reference for Staff and Yearbook advisors.

Donated Packages

We will donate one package per 100 students for the administration to use to pass out to students that are in need.

Teacher / Staff Discounts

School staff will receive a Code to order a Digital portrait of themselves at no cost. We also have a 50% discount coupon teachers can use for ordering their own child's package.

Manager On Site

We don't just send a photographer to your school. A manager will always be onsite to help organize picture day and keep the classes flowing. Any last-minute changes are handled right there on the spot without having to call a customer service number.

Instant Customer Service

Your school representatives and company ownership is 100% local:

MillerFoto "Speed Team Approach"

MillerFoto is the only School Photographer utilizing this disciplined process:

Before: Organized pre-planning

Day of: Photography team on campus (not just one photographer)

Afterwards: Photos in hand in a week or less

Using Social Distancing guidelines, we will separate photography stations 10' Apart.

We will line up students 6' apart.

Up to 6 Photographers available

Schools Love Us because we are always ON-TIME, Super Organized and have plenty of staff.

IDs for Safety and Security

Need IDs for the first day of school? We got you!
MillerFoto offers a number of solutions.

Creative IDs are our specialty. We can design IDs for your schools theme every year.

For Students with Allergies we can mark the ID so the Staff & Cafeteria workers know.

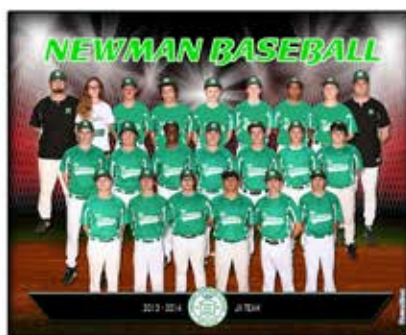

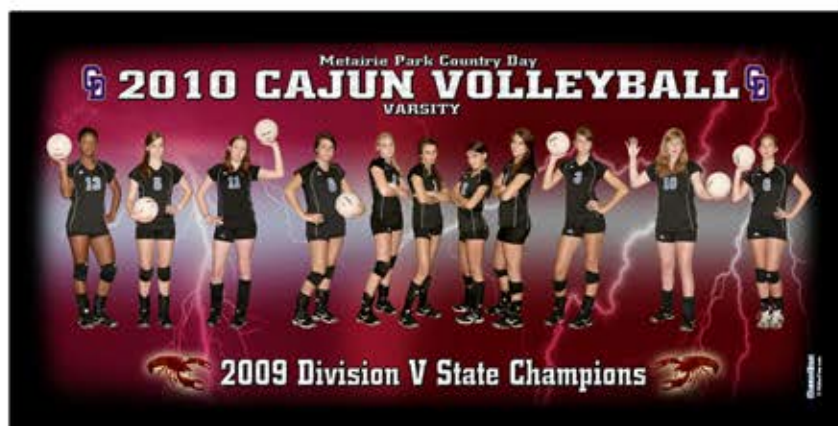

Recognize Seniors with a special ID just for them.

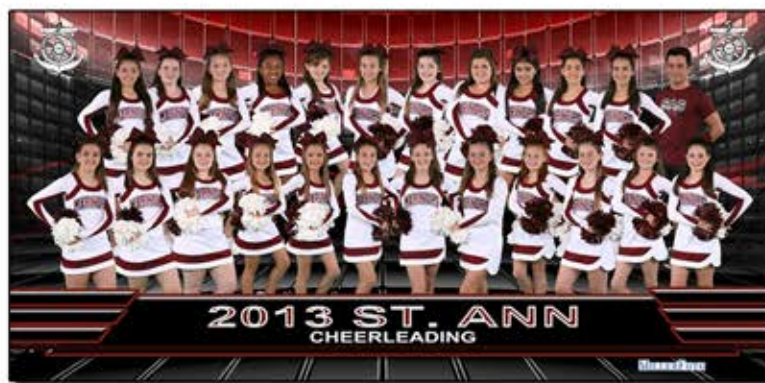

We can Color Code Class and Staff IDs for easy identification.
